Tips for applicants

- **Submit** a (next to) final version of your proposal **several days before the deadline!**
- **Do not** edit the proposal in **more than one browser tab/window** at the same time!
- **Write text** for the portal fields in a text editor, **save on your PC**, and copy/paste to the application portal
- **Save** your changes in the portal! Data is saved automatically, but you can also click on save **manually**.
- **Name enclosures with type** (project description, management plan etc.) and **acronym**
- **Do not encrypt or digitally sign** your pdf files.
- **Double-check after upload** of files whether they can be opened without problems.
